

This evaluation was made after our first meeting in Poland (6/12-12/12 2015). The students have graded their experiences according to different categories on a scale from zero to five, where zero is the lowest and five the highest grade.

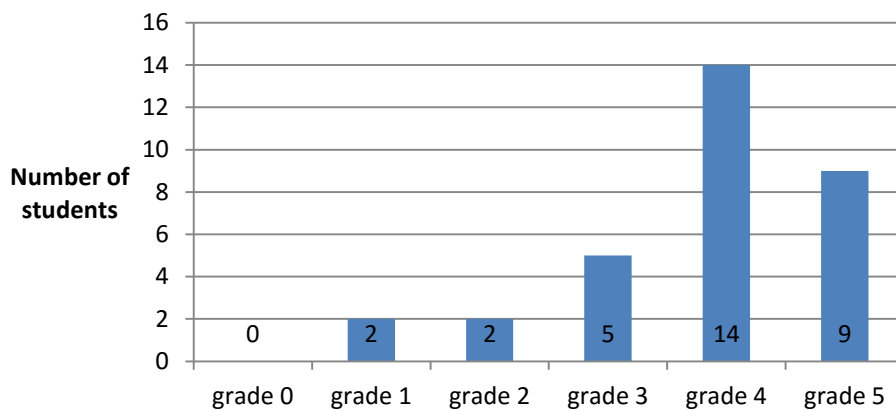

Organisation - programme

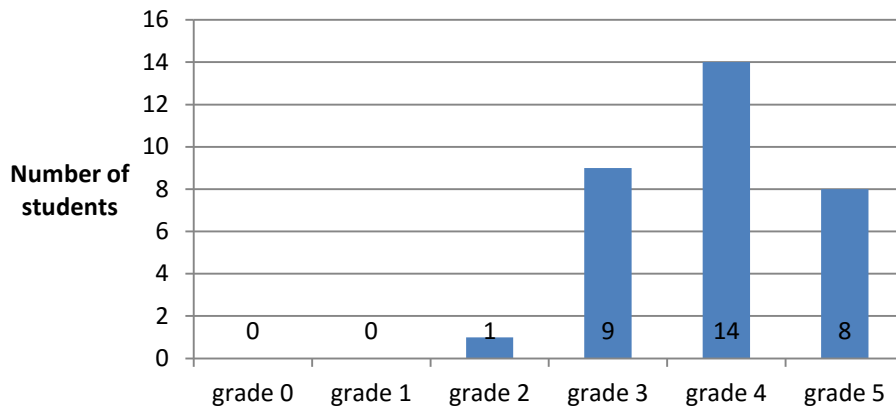

Organisation - activities

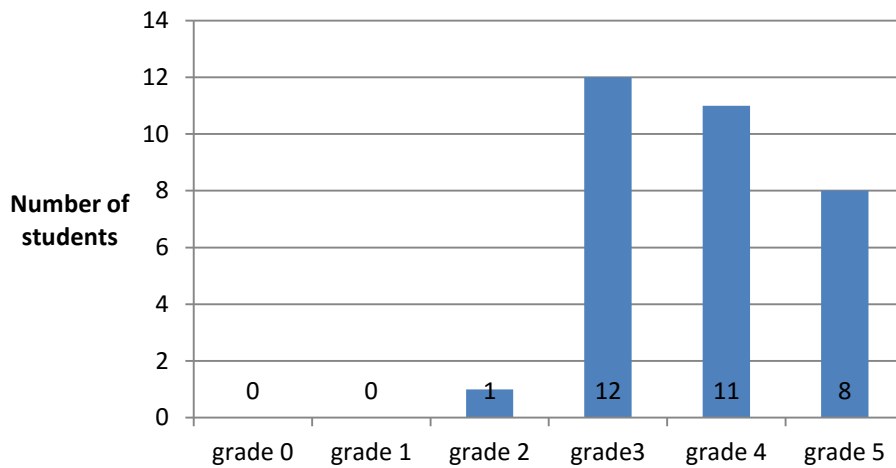

Project work - communication within the group

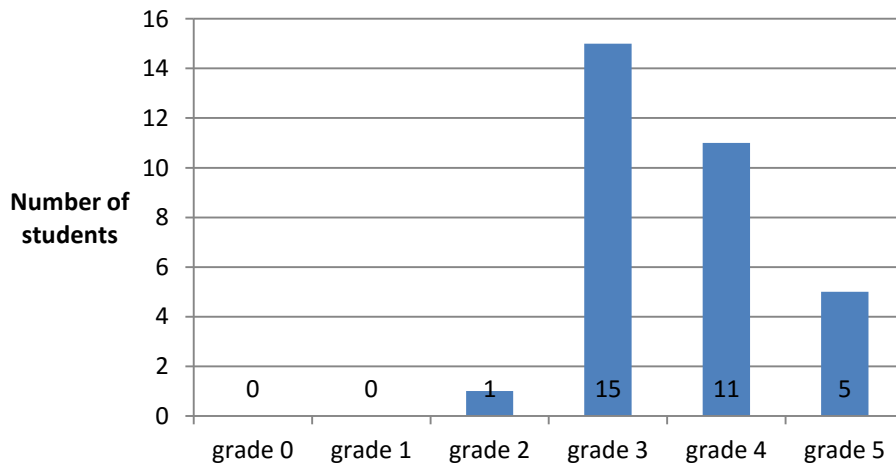

Project work - presentations/learning experience

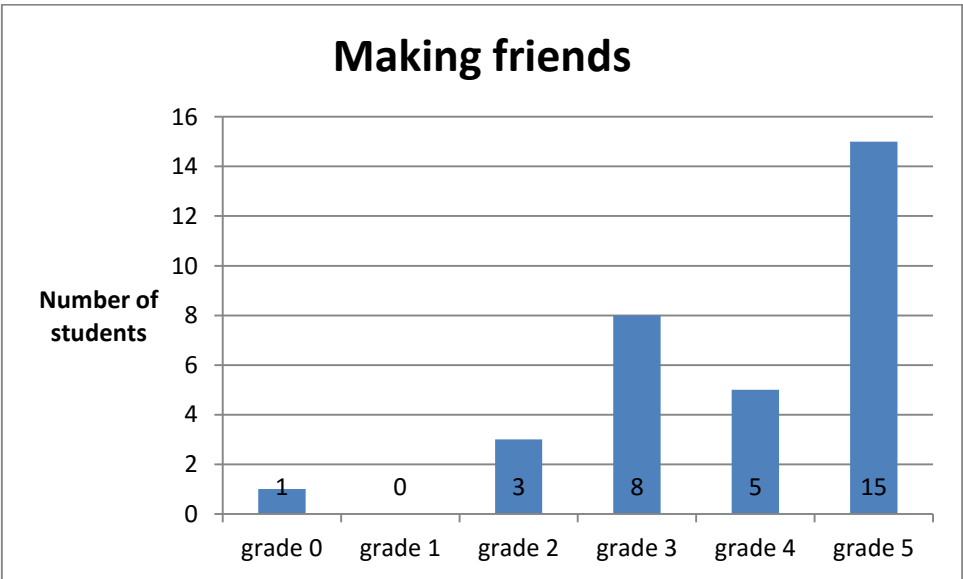

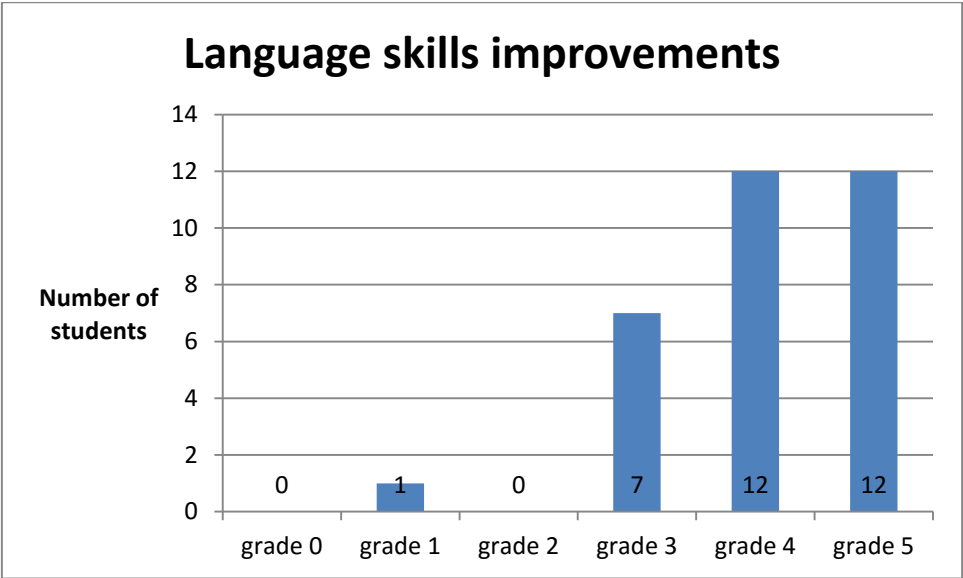

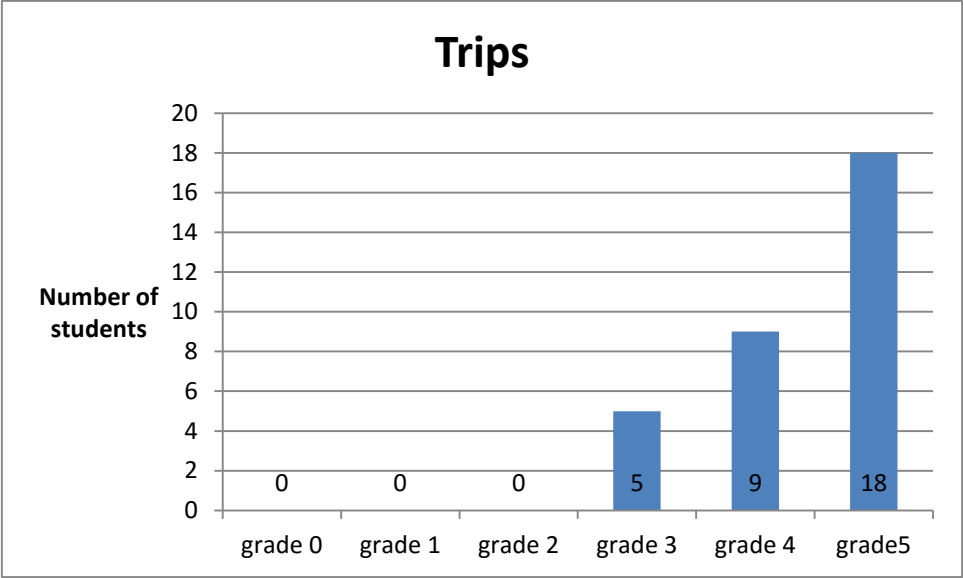

Leisure time

Food

What were the best things about this week? Name two things.

- **Trips to Poznan**
- **The host families**
- **Group work/activities**
- **Making friends**

What should be improved in the project?

- **Presentations/subjects**
- **More free time**
- **Quality of speaking**
- **Outside activities**
- **Some lessons were too long**
