Project work - writing and preparing the presentations

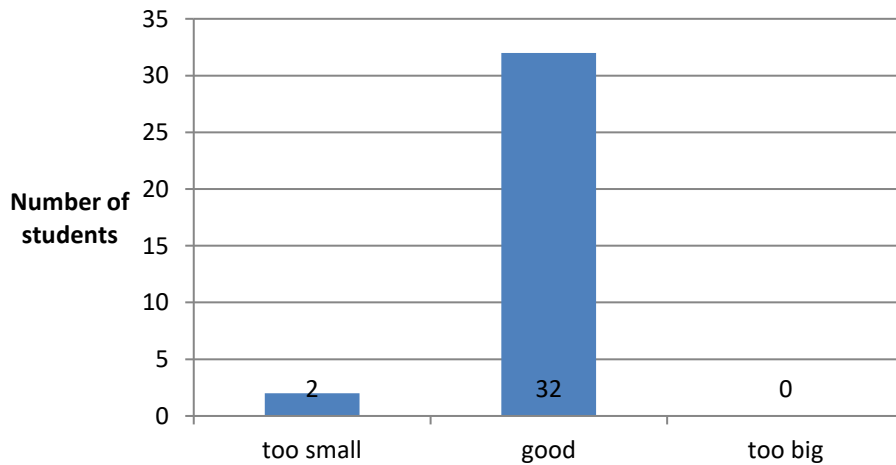

Project work - learned about marketing and PR

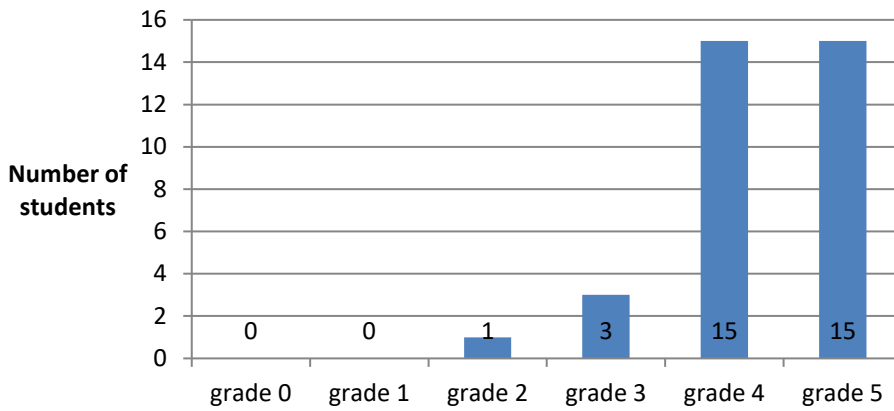

Project work - learned about how to start and run a business

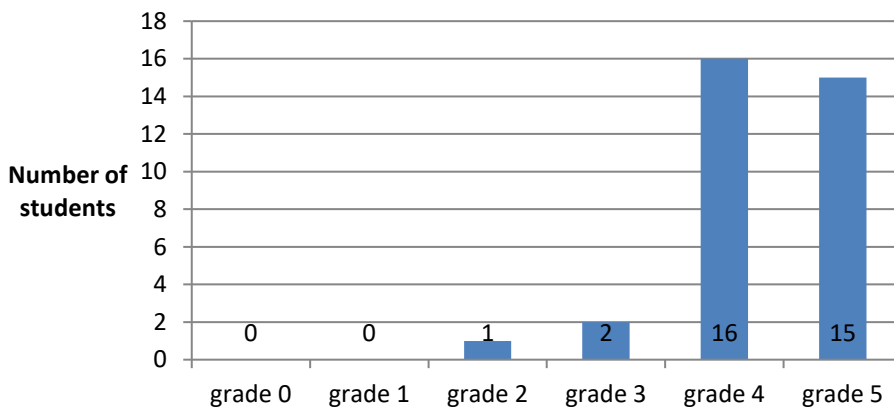

Project work - size of the groups

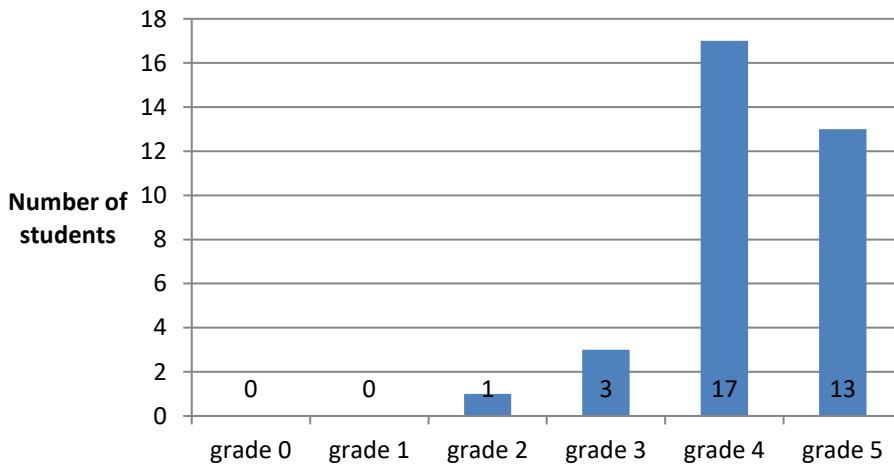

Project work - value of sharing your presentations

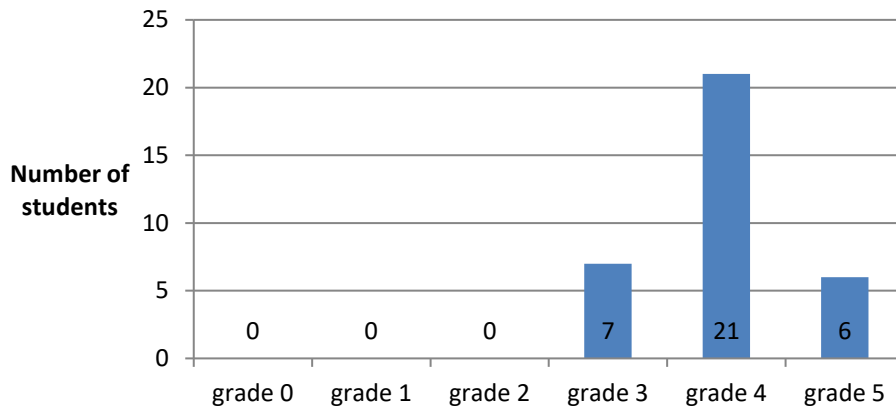

Leisure time - balance between leisure time and work

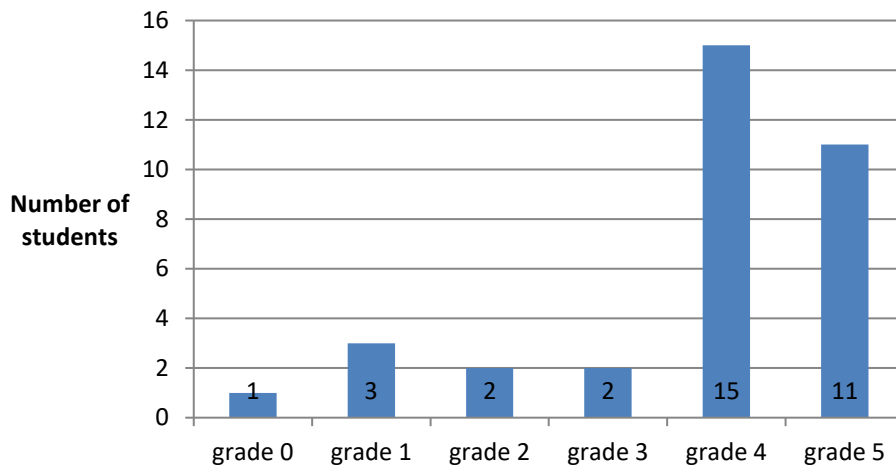

Food

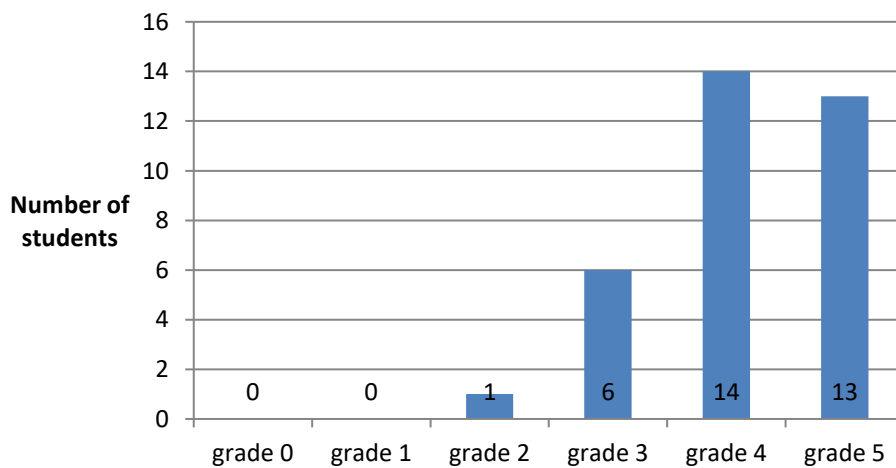

Improvement of language skills - business language

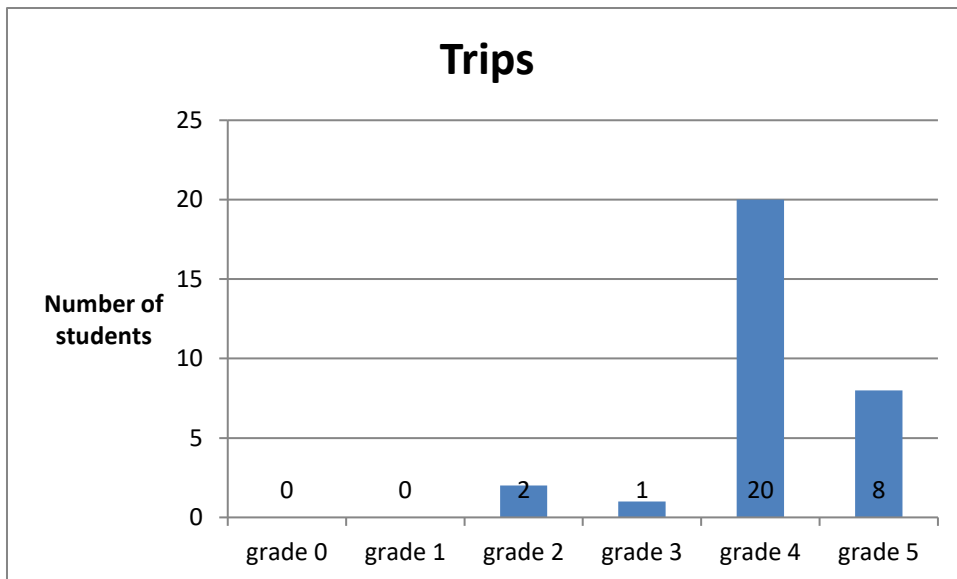

Everyday language

Making friends

What were the best things about this week?

- Trips
- Project work
- Making new friends, meeting new people
- Food
- Host families

What should be improved?

- Be sure the time table works
- More time during the trips and more trips
- All host families should be in the project
